CLINSYS CLINICAL RESEARCH, INC. ANNOUNCES RELOCATION OF CORPORATE HEADQUARTERS

BERKELEY HEIGHTS, NEW JERSEY - October 8, 2007 - Clinsys Clinical Research, Inc., a therapeutically focused clinical research organization, today announced the relocation of its corporate headquarters to accommodate the company's significant growth and plans for future expansion. The new, larger facility is located in Bedminster, New Jersey.

"Our new headquarters, combined with our recent expansion of operations in Raleigh, North Carolina and Düsseldorf, Germany, offers many advantages to Clinsys and our sponsors," said David E. Williams, Chief Executive Officer of Clinsys Clinical Research. Mr. Williams continues, "The relocation strategically keeps Clinsys in the center of one of the largest biopharmaceutical clusters and experienced employee pools in the country. Our new headquarters will afford us enhanced operational performance from which to continue to provide exceptional service to our existing and new sponsors."

Clinsys will occupy the new facility on Monday, October 15. The new address is:

One Crossroads Drive, Building A, Second Floor, Bedminster, New Jersey 07921.

The new corporate telephone number is +1 908 947 7777.
The new corporate fax number is +1 908 947 7953.
